Construction Progress Report

Residential Construction Progress (Demonstration)

Project	Demonstration residence (illustrated example)
Location	Example only, no real address
Visits in report	4 scheduled aerial visits
Prepared by	Estep's Aerial, FAA Part 107 remote pilot
Report type	Progress summary with milestone comparison

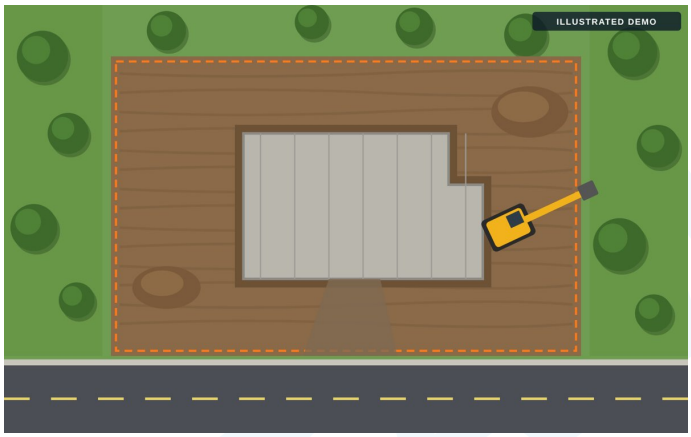

This sample shows the report layout only. All imagery is illustrated and all project details are fictional.

Project summary

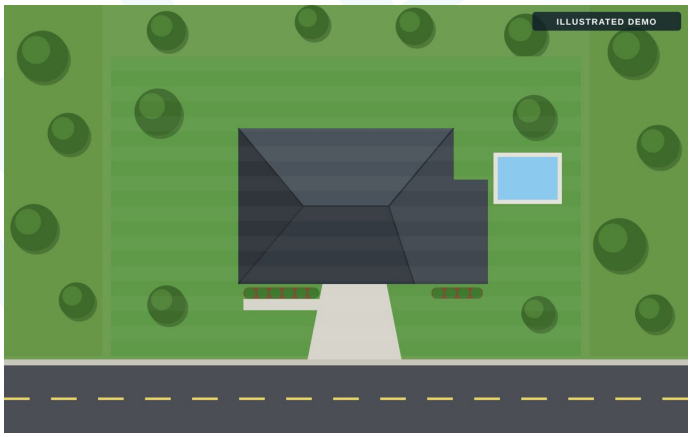

Each visit is flown from the same fixed positions established on the baseline flight, so changes between visits are easy to compare. Photos are delivered in folders organized by visit date.

Visit	Timing	Stage	Status
Visit 1	Example: Week 1	Site preparation & foundation	Documented
Visit 2	Example: Week 6	Framing & roof construction	Documented
Visit 3	Example: Week 12	Exterior finishing & site improvements	Documented
Visit 4	Example: Week 20	Completed residential property	Documented

Milestone comparison: Visit 1 vs. Visit 4

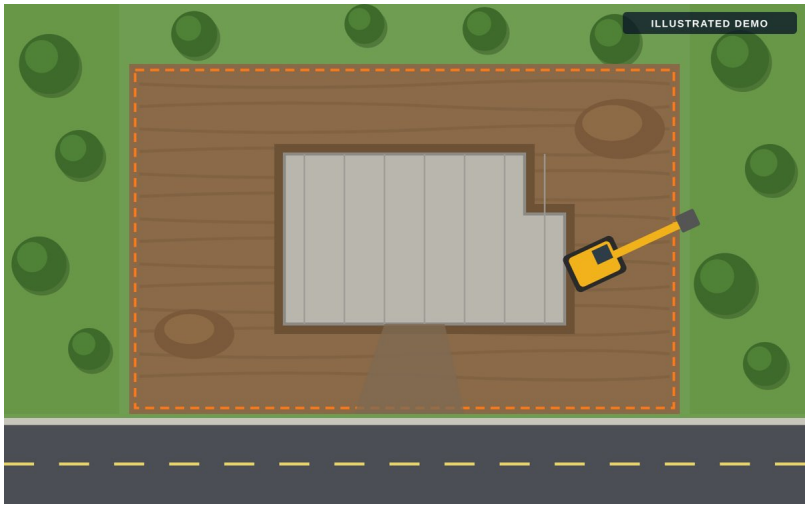

Visit 1: Site preparation & foundation (illustration)

Visit 4: Completed property (illustration)

VISIT 1 · Example: Week 1

Site preparation & foundation

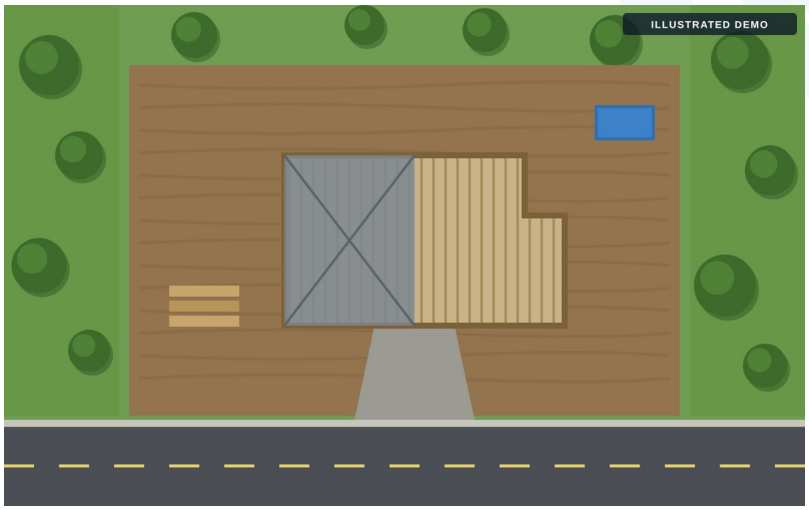

Illustrated demonstration image. Real reports include dated drone photographs.

Milestones observed

- Lot cleared and silt fence installed
- Foundation poured
- Equipment staging documented

VISIT 2 · Example: Week 6

Framing & roof construction

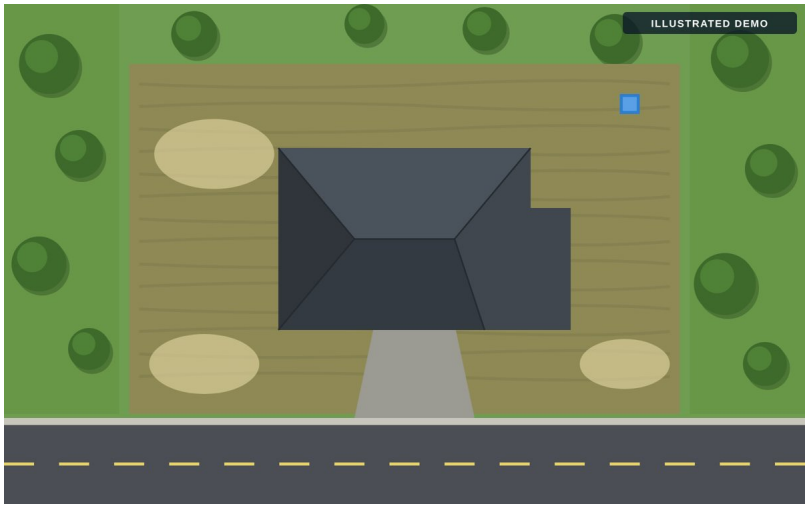

Illustrated demonstration image. Real reports include dated drone photographs.

Milestones observed

- Exterior walls framed
- Roof sheathing ~50% complete
- Lumber delivery and dumpster placement logged

VISIT 3 · Example: Week 12

Exterior finishing & site improvements

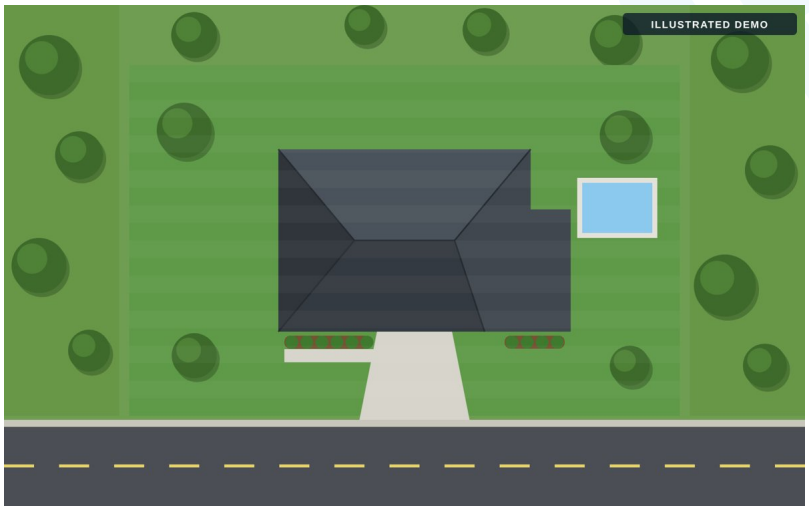

Illustrated demonstration image. Real reports include dated drone photographs.

Milestones observed

- Roofing complete
- Gravel driveway base installed
- Seed and straw on disturbed areas

VISIT 4 · Example: Week 20

Completed residential property

Illustrated demonstration image. Real reports include dated drone photographs.

Milestones observed

- Concrete driveway and walkway
- Lawn established
- Landscape beds and patio complete
